## Organisation Summary

Granite Belt Wildlife Carers rescue, care and rehabilitate orphaned, injured and sick native wildlife.

Granite Belt Wildlife Carers Objectives are:

Provide a rescue service for injured and orphaned native wildlife

Provide home caring locations for sick, injured or orphaned wildlife

Rehabilitate sick, injured or orphaned native wildlife into safe and natural environments

Provide safe, supervised release sites for rehabilitated animals

Increase public awareness and educate the community about wildlife and their habitats

Encourage the principles of conservation for the preservation of wildlife and their habitats

Provide and support network vets, QPWS, other wildlife organisations and within our own group and

Comply with all Government legislation pertaining to wildlife
