## Organisation Summary

Members can enjoy all sorts of films, from classic to documentaries whilst enjoying a beer or wine if they wish.

The Society started in 2018 and is gradually gaining in popularity. All sorts of films are shown, and a brief discussion is normally held after the screening.

We do not normally show current films that can be seen in an ordinary cinema.

Members can join for a half or full year, which runs from February to November (10 screenings).

Tickets are NOT available at the door.

Screenings are held on the second Saturday of the month, doors open at 6.30 for a 7 pm start.
